36/19 Minutes

The Minutes of the meeting held on July 16^h were approved as a correct record

37/19 Update on Operation of EFW

Stacey Wright gave an update on the operation of the facility and advised the Group that the plant would be shut down for short period prior to the official handover. The plant would be officially handed over to Urbaser Environmental.

In response to questions Stacey confirmed that in addition to local authority waste collection there were also private waste companies using the facility and this was covered by the environmental permit for the site.

38/19 Air Monitoring Equipment

Chris Harmer reported that the monitors had been recording data every five minutes; this had been corrected to every 15 minutes. Chris reported that there been no changes from the base line data. There had been some 'ups and downs' possibly caused by seasonal activities eg bonfires around November 5th.

39/19 Environment Agency Update

Anna Turner advised Members of the frequency of EA visits and the audit inspections that would be undertake there would also be monitoring by the Agency's Air Quality Monitoring Team.

Members were advised that if they received questions or concerns about emissions from the plant then should be e mailed to the Chair, Stephen Davies in the first instance.

40/19 Vist to EFW and dates of future meetings

Stacey Wright invited the group to undertake a tour of the EFW and this would be arranged for a future date. At the next meeting of the group it was agreed to discuss the frequency of future meetings.
